

Material consequences of learning

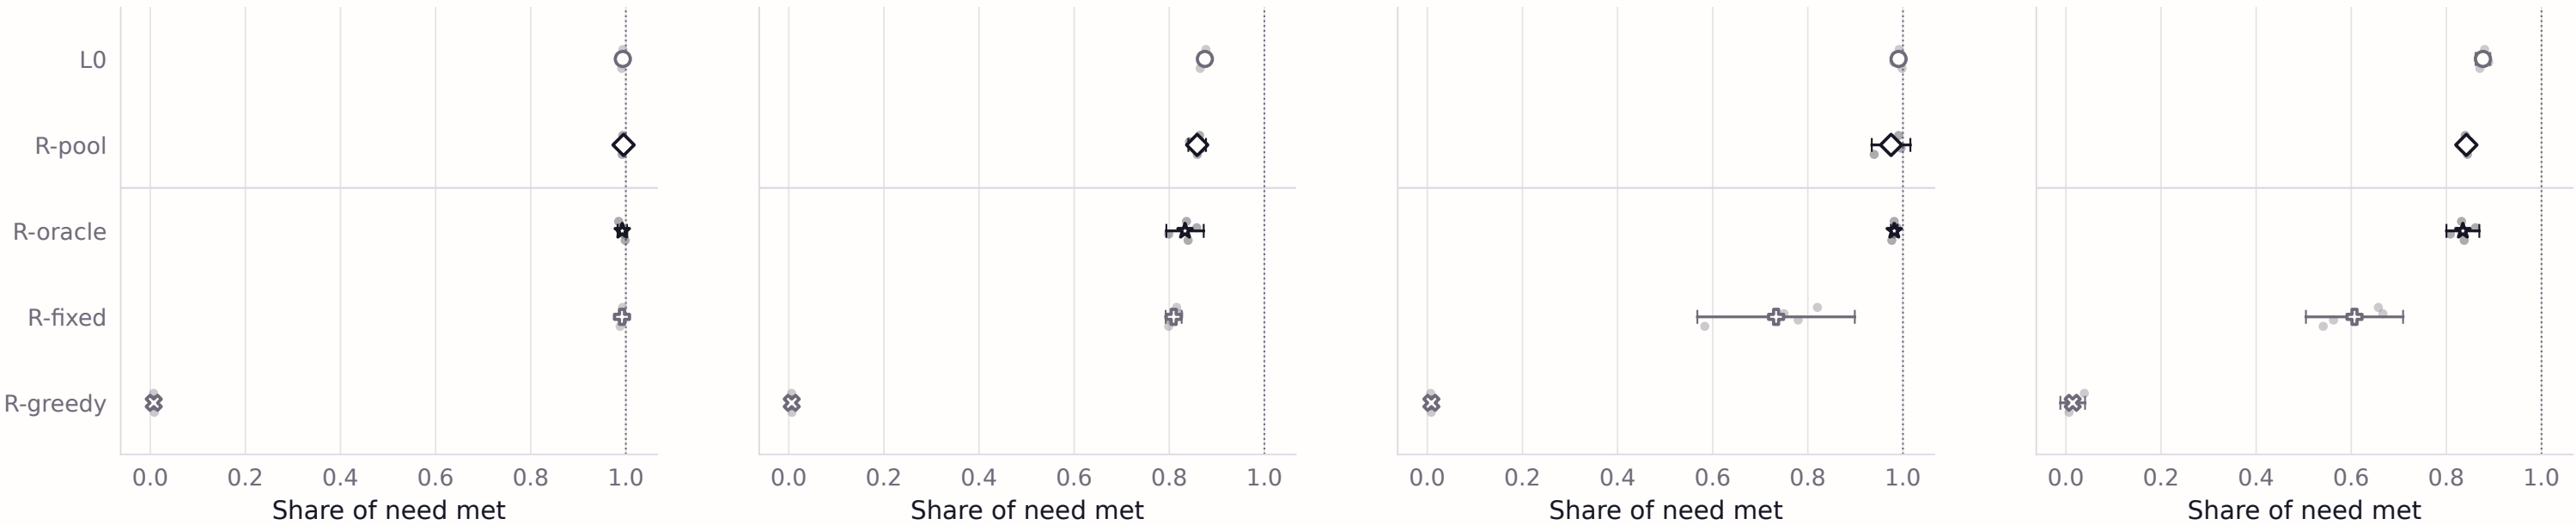

DEVELOPMENT · four reused seeds · descriptive 95% intervals

Known renewal rate · private learning and perfect pooling

Whole run · physical ticks 1-512

Final quarter · physical ticks 385-512

Hollow markers: means and descriptive 95% intervals. Small dots: individual seeds; vertical offsets identify seeds consistently. Reference rows use the saved oracle, selected fixed-capacity controller and greedy controller. Dotted line: all need met.
